

Board Meeting: March 20, 2023 5:00-6:30pm

Attendees: Evelina Glushko, Katie Sowieja, Anne St. Martin

Treasurer's Report:

- Balance report – *see attached report*

Fundraisers:

- Butter Braids – *Clare will put together an email that we will need to send out to each team family. The details are the following - Start Date: April 4 - End Date: April 24 - Submit Order by: April 26 - Delivery: May 9. Clare will also need an updated roster list for the emails. We will also put up an order board in the gym for people.*
- April 16: T & T State Meet Concession – *Evelina will include a sign up link that is sent out with the Butter Braids email for families who want to work the event. There will time slots throughout the day to earn money towards your account.*

Board Changes:

- Vacant Positions: T&T rep, JO Rep, and Board Secretary – *There is a mom on girls Excel Team that may be interested in Board Secretary. We will continue to try to recruit for the other teams but T & T team may not be active next year so wait to see their status.*

Website Updates:

- Update board members: remove Melanie Harvey from board, post January Meeting Minutes, and post February Meeting Minutes. – *Evelina will email Lisa at the gym to make updates to websites. Anne will combine January Meeting Minutes into one document and send to Evelina for approval and then to Lisa to post to website.*

Other Items:

- Review rules and regulation about Booster Clubs, making sure we are all understanding the rules and regulations and following them properly. – *After reviewing some other clubs rules we believe that we continue to operate "as is". We will work on making sure there is no inurnment or special benefits given to a specific athlete based on booster club parent participation. Work to cover portions of all team athletes cost like the Year End BQT or portion of team fees.*
- Recruiting for empty board positions_– *This need to be done with another information email about that the Booster Club does and why it is important. Also this could be done with a Google doc – Parent Survey asking families what they would like to see more of at the gym or the Booster Club.*
- How can we help generate an atmosphere of fun? Coach Appreciation Week? – *Each team rep should work on getting 2 family / team nights done each year that are not at the gym. Examples could be a free movie in the park night for teams and families, a family poster making session before meet season starts, or an all gymnast gym sleep over / lock in night. The board could possibly fund some items but work on keeping cost down for these families and the board to make it accessible. Also work on getting the boys and girls teams closer / all Gleason's Gym Team. Coach Appreciation week should be picked by the board and sent out to parents. This week it could be about having your gymnast make your coach a card or bake them some cookies a card or do a digital card that all families sign and send into the coach. Anne can put together a Google calendar for families that lists all the coaches birthdays, team outings, coach appreciation week, and other all team items that can be shared and then send to families.*
- Send out email: recruit for board positions, NPO info, upcoming April concession & Butter Braids – *The Butter Braid and the April concession email will be 1 email sent out by Clare and other team reps by 3.27.23. The Board recruiting email will need to be written. The NPO email will be written by Evelina.*

Next Meeting Date and Location : Monday April 24, 2023 – 5:30pm to 7:00pm – Gleason's Gym Conference Room
